### EXAMINER'S AMENDMENT

1. An extension of time under 37 CFR 1.136(a) is required in order to make an examiner's amendment which places this application in condition for allowance. During a telephone conversation conducted on 08/20/07 with applicant's representative Philip Kouyoumdjian, Examiner Thomas Sember requested an extension of time for one 1) MONTH(S) and authorized the Director to charge Deposit Account No. 06-0515 the required fee of \$60.00 for this extension and authorized the following examiner's amendment. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

- 1.) In claim 24, line 1 "The art frame of claim 15 further comprising" has been changed to "A device for illuminating fluorescent art comprising"
- 2.) In claim 24, line 7, "a housing;" has been changed to -- a housing; a UV light source; a UV sub-housing; a white light source; a white light sub-housing; wherein: the UV light source is contained in the UV sub housing and the white light source is contained in the white light sub-housing so that the white light source is separated from the UV light source, preventing interference between the UV light source and the white light source within the device; and --;

3.) In claim 25, line 1 "The art frame of claim 15 further comprising" has been changed to "A device for illuminating fluorescent art comprising"

4.) In claim 25, line 7, "a housing;" has been changed to -- a housing; a UV light source; a UV sub-housing; a white light source; a white light sub-housing; wherein: the UV light source is contained in the UV sub housing and the white light source is contained in the white light sub-housing so that the white light source is separated from the UV light source, preventing interference between the UV light source and the white light source within the device; and --;

#### ***Reasons for Allowance***

2. The following is an examiner's statement of reasons for allowance: None of the prior art of record alone or in combination teaches or fairly suggest applicant's claimed invention for the following examiner's reasons for allowance:

None of the prior art of record alone or in combination teaches or fairly suggest the claimed details of independent claims 11-12 and 24-25 further including "a UV swivel attachment constructed and arranged to mount the UV sub-housing into the device so that the UV light source may be directed at a specific angle."

#### ***Conclusion***

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
